Office of Legislative Counsel

Monday - 15 December 1958

1. Mr. William McHale in the office of Senator Smathers called to inquire if the Agency could assist the Senator by giving him a briefing on the current situation regarding Communist Party activities in Latin America. After some discussion it was agreed that we would meet with Mr. McHale to explore the Senator's desires. By arrangement with Knight McMahan, Mr. Milton Brown will accompany Mr. Warner to discuss this with Mr. McHale.

3. Telephoned Carl Marcy, Senate Committee on Foreign Relations, to confirm the arrangements for 17 December. He inquired what the Director had in mind for such a briefing and I answered him to the general effect that the Director wished to brief him on a broad basis on Agency functions.
